

Signup instructions for the KHA course
Last revised June 2009

1. Read the Sign-up instructions and Requirements.
2. Download the application and non-pro statement.
3. Fill out the application and return it via E-mail to Tim Czech at: 65blcc@gis.net.
4. Filled out, signed and returned non-pro statement via snail mail to:
Tim Czech
65 Beaver Lake Rd.
Ware, MA 01082
5. Once you are signed up, additional information will be sent about the program.
6. If you would like to start studying right away, go to:
<http://www.koihealthadvisor.org/node/2> where you will find the majority of the course material. Testing will start with the Pond section.
7. The schedule shown is a generic one for most all classes and most all the classes will follow the same general schedule in subsequent years. You may see that schedule at:
http://www.koihealthadvisor.org/kha_images/pdf/schedule.jpg
8. The lab will usually be held at the AKCA Seminar at the end of June of the year following the start of a class. Specifics will be announced well in advance of the lab. If you have any questions, please contact Tim Czech or one of the other course instructors.

Email addresses for the course instructors:

Burt Ballou (Pond Design): burtb@socal.rr.com *

Nick Saint-Erne, DVM (Anatomy & Physiology): ErneEnterprises@qwest.net

Norm Meck (Basic Water Quality): normeck@pacbell.net

Chris Neaves (Filtration & Nutrition): neaves@mweb.co.za

Nick Saint-Erne, DVM (Health & Lab): ErneEnterprises@qwest.net
